

# Necessary Conditions for Strategy Execution

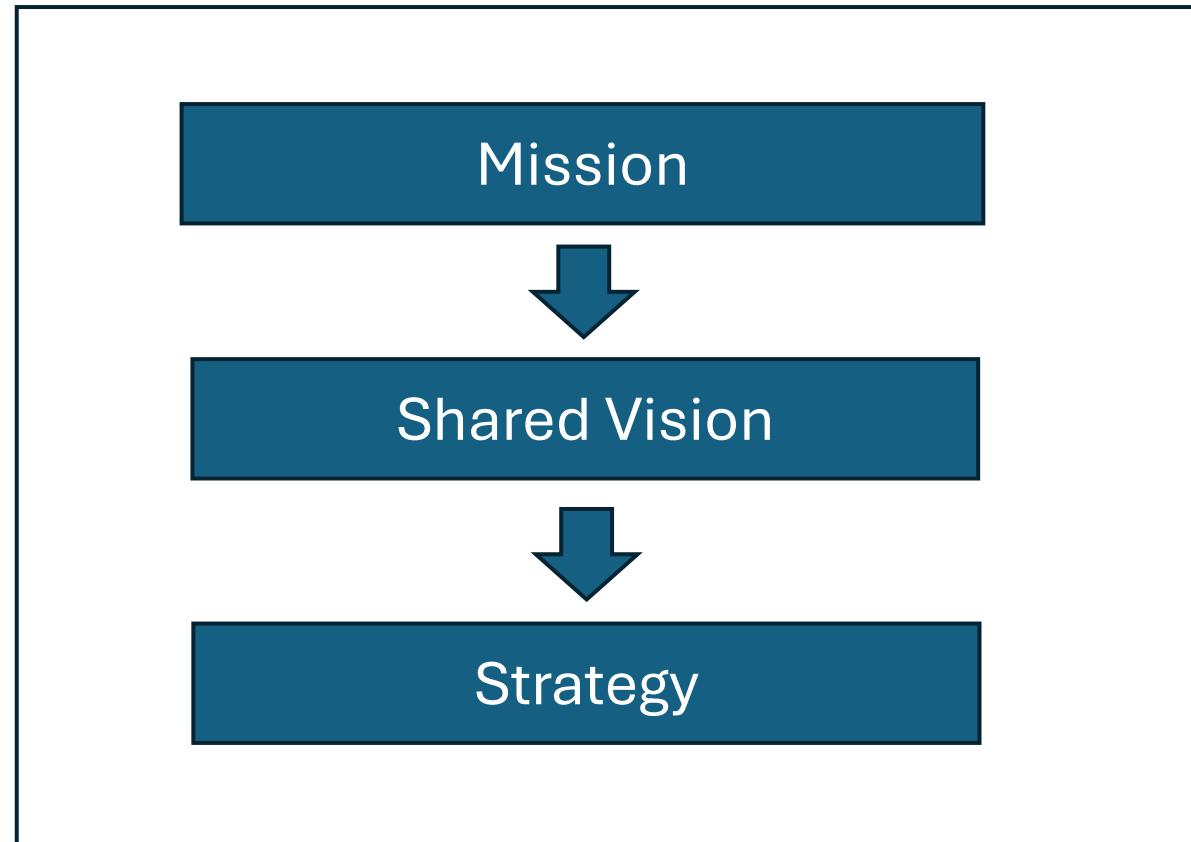

- Systems Thinking Leadership
  1. Servant Leadership
  2. Visionary Leadership
  3. Operations Leadership
- Systems Boundaries
  - Mission, Shared Vision, Operational Rules (Bylaws, Policies, SOPs...)
  - Focus and Priorities (Strategy, Goals, Programs ...)
  - Ways to Get Things Done (Projects, Processes, Standard Operating Procedures ...)

## Systems Knowledge and Cooperation

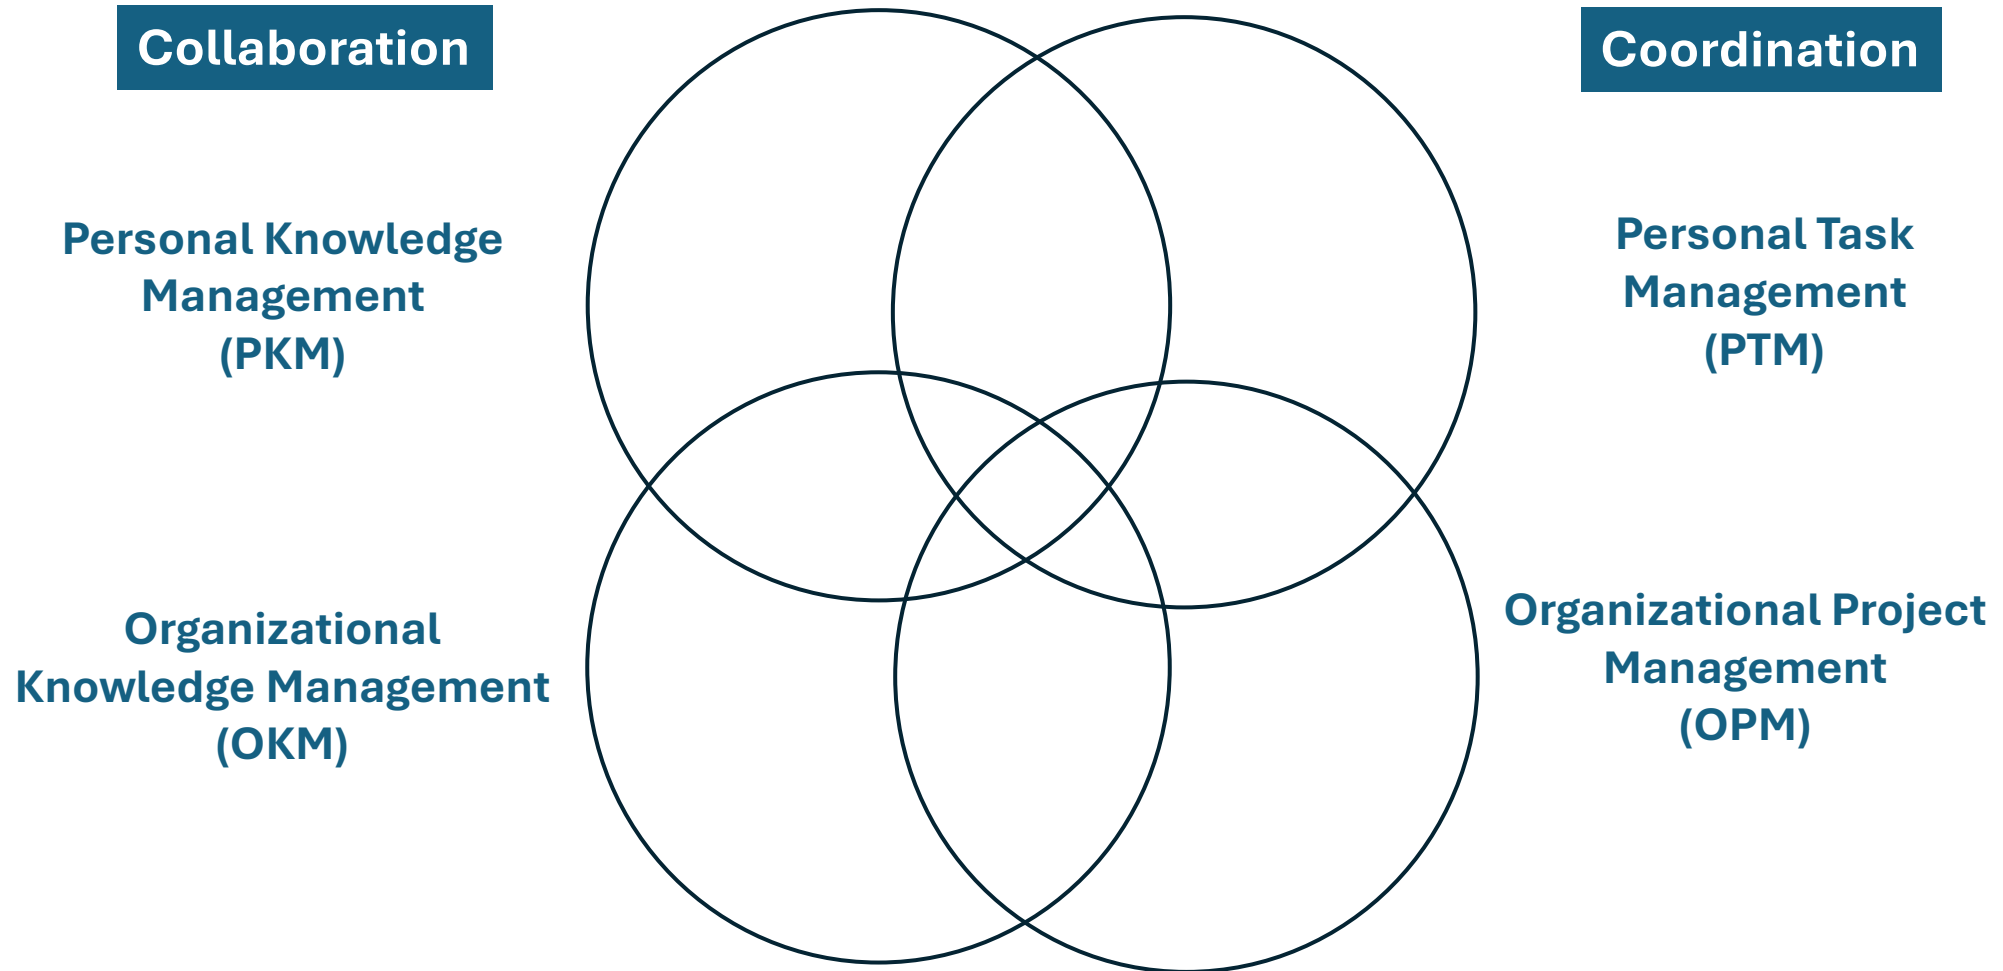

- Values and Principles Communication Systems
- Knowledge Management Systems
- Coordination and Task Management Systems

# Knowledge, Integration, and Collaboration System (KICS Framework for Communications)

Stakeholder Input and Feedback

# Knowledge, Integration, and Collaboration System (KICS Framework for Collaboration and Coordination)

# Knowledge, Integration, and Collaboration System (KICS Software Tools Example)

**Personal  
Knowledge  
Management**

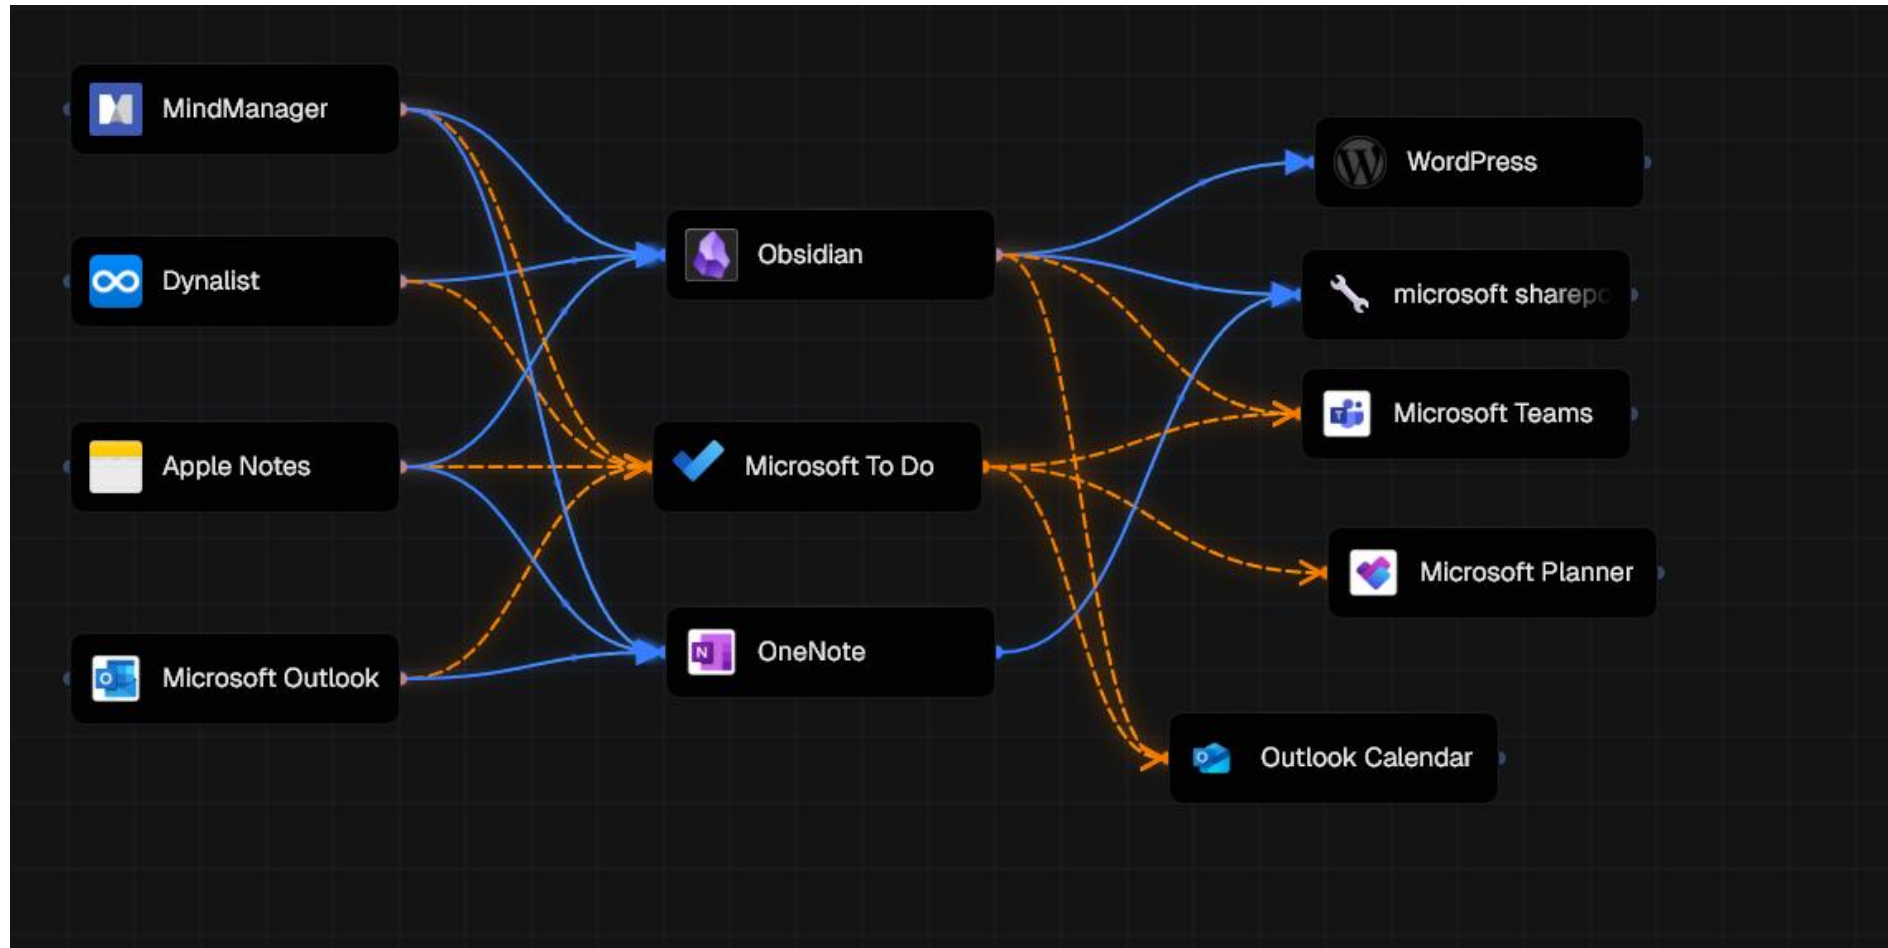

**Personal Task  
Management**

**Organizational  
Knowledge  
Management**

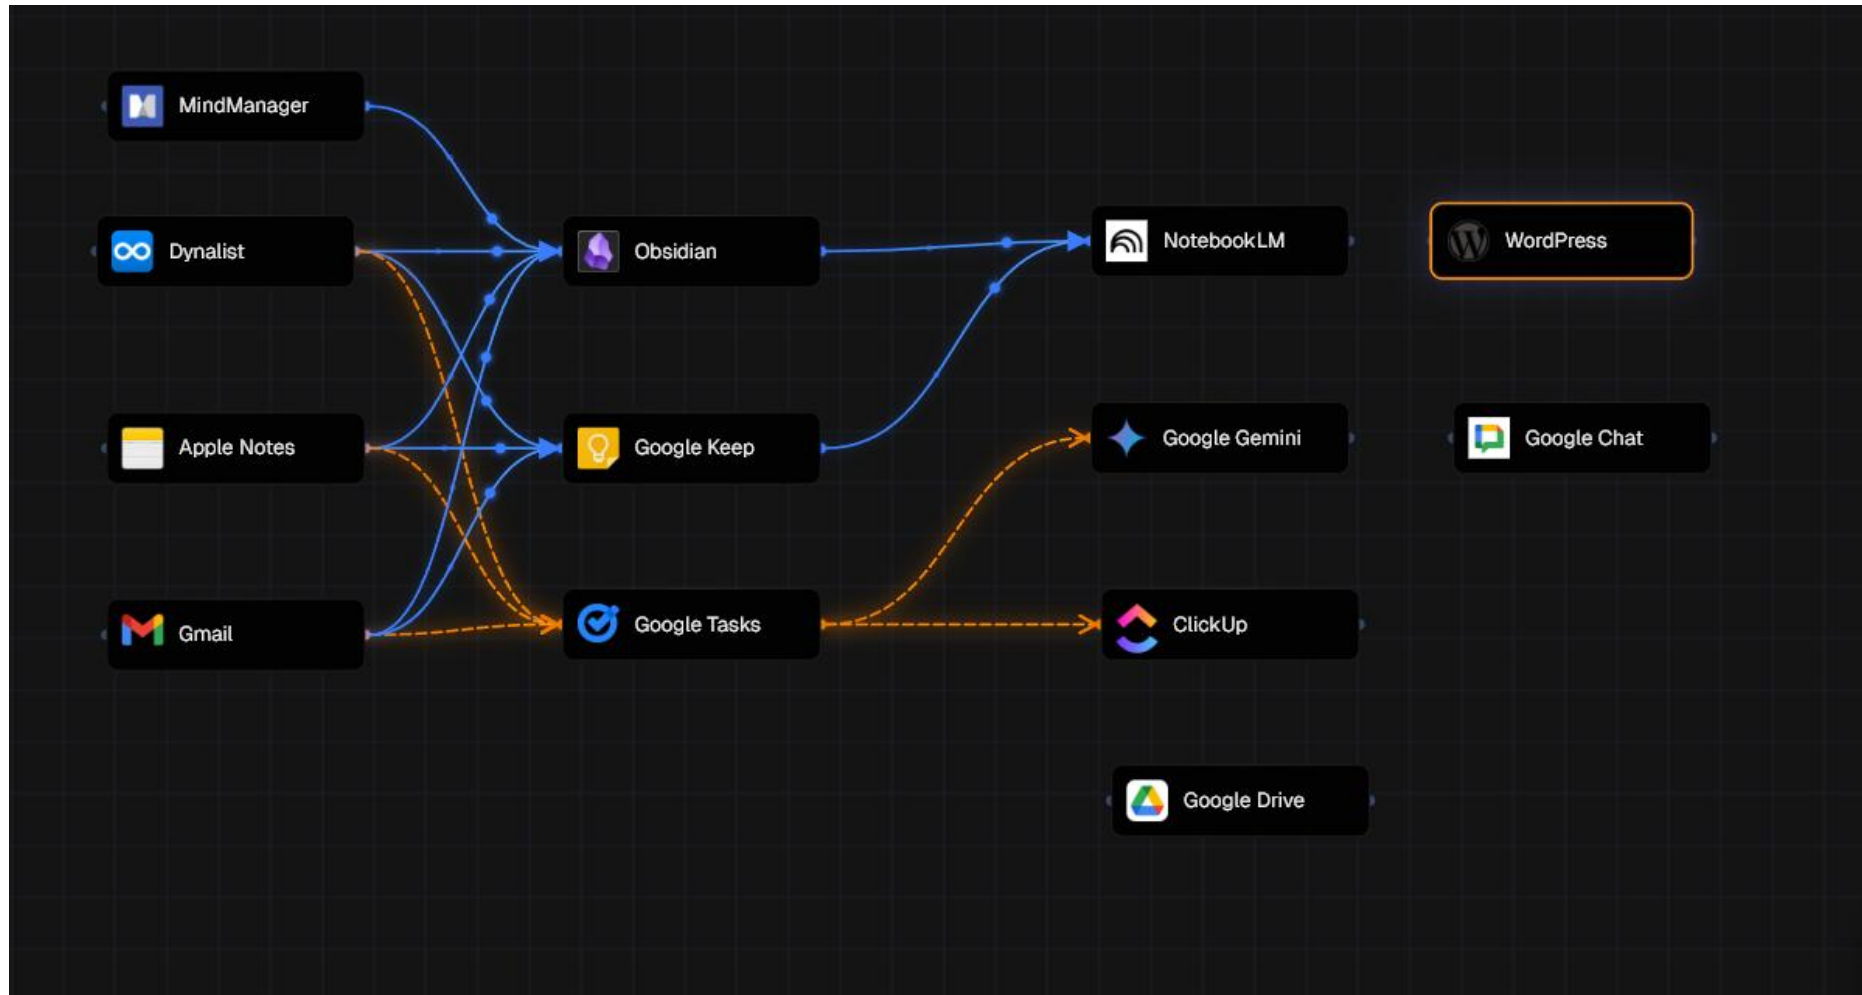

**Organizational  
Project  
Management**
